International Foundation Programme 2017-18

Setting the perfect foundations for your education and career
Welcome

The International Department would like to invite you to study at Chichester College. More than a language school, we have welcomed students from all over the world for the past 30 years.

Our range of academic, vocational and foundation programmes offer an excellent variety with proven success across all subject areas. We take great pride in the support we offer our international students. Chichester College is a home from home.

There is comfortable and safe on-site accommodation. The lively social programme helps you meet and make new friends, taking you out and about to discover the wonderful city of Chichester and nearby highlights during your stay. Enjoy the excellent facilities as you study and socialise with UK students with similar interests.

We look forward to welcoming you soon!

"There are a lot of green and quiet places and there are lots of traditional buildings. The people are friendly and kind. Because of this, I can concentrate on my studies."

Shion Tonativh Fujie
**Perfect Location**

Chichester is located in the south coast of England. The city is famous for its natural beauty and historical sights.

The city of Chichester offers a true British experience with wonderful architecture and a safe atmosphere. The central location of the campus allows you to access the local train and bus stations within five minutes.

Chichester has good connections to international airports and direct trains to Brighton, Portsmouth and London. Travelling around the UK is easy when you live in Chichester.

---

**Travel Times from Chichester**

- London (Victoria): 90 minutes
- Gatwick Airport: 60 minutes
- Heathrow Airport: 90 minutes

---

**In the Heart of the City**

The city centre is only five minutes away from the campus and has many things to see and enjoy, such as shops, cinemas, theatres, bowling alley, sports centre and swimming pool, the cathedral gardens, art galleries and much more.
To provide the best education you must have the best facilities.

That is why we continually improve our extensive range of top quality classrooms, resources and services to provide an ideal educational environment.

“It's a pleasure to live here. When I came to Chichester College I was very impressed. The campus is amazing. There is a real community here. I enjoy the classes with International and English students.”

Benjamin Amram
France
**Social Programme**

Make the most of your time at weekends and in the evenings.

Take part in cultural excursions and evening activities. It is the perfect way to socialise with all your new friends and to visit some of England’s famous cities.

**Events include:**
- Day trips to historic landmarks and cities such as Oxford, Cambridge, Bath, Portsmouth, Arundel and Windsor Castle
- Fun trips to Harry Potter World and Thorpe Park
- Evening activities such as bowling, film nights, parties, quiz night etc.

Note: These events require an additional payment of approximately £15 each.

**Leisure Activities**

Make the most of your time after class

Taking part in sports and leisure activities gives you the chance to mix, share ideas and practise your English with our UK students. Learn a new skill or try a new sport during your stay.

**FREE to all students** (activities may vary)

**Activities include:**
- Rock climbing
- Rugby
- Football
- Tennis
- Pool league
- Conversation club
- Women’s only workout
- Hockey
- Badminton
- Volleyball
- Yoga
- and many more...

**Clubs and sports every afternoon!**

**Music clubs, events, gigs and parties**

**Pool League at the Student Union**

**Fun evenings out with new friends**

**Always lots of fun events to enjoy**

**Great sports facilities and events to enjoy**

www.chichester.ac.uk/international
A Wonderful Campus

Our safe and beautiful campus with all its fantastic facilities is the perfect place to learn, live and relax.

“...The College is very big. On my first day I had a tour around the College and I was able to find everything I needed. At the cafeteria you see people from many nationalities. I was able to make friends on the very first day！”

Rafaela Rolim Santana - Brazil
Where are you going?

With 50+ universities to choose from, many of them with guaranteed entry through the International Foundation Programme, the world is your oyster.

Take a look at all the universities available to you on the following pages...

Many young people have the ambition to go to a top UK university, to give their education and career opportunities the best possible advantage. The International Foundation Programme at Chichester College is an ideal way for students to gain the qualifications, knowledge and confidence needed for entry on to their dream degree course.

With additional English language lessons that are tailored to teach all the relevant technical terminology and the College’s cosmopolitan mix of UK and international students, the Foundation Programme is the ideal preparation for degree study and life at university.

The International Foundation Programme (IFP) is a pre-university qualification which is designed to provide you with an entry route to UK or overseas universities or progression on to the NCC Education Level 4 Diplomas in Computing, Business or Business IT.

The IFP aims to improve your general and academic English language ability, enhance your study skills and cultural understanding and introduce you to academic study in English at a suitable level.

The Ideal Gateway to University

Many young people have the ambition to go to a top UK university, to give their education and career opportunities the best possible advantage. The International Foundation Programme at Chichester College is an ideal way for students to gain the qualifications, knowledge and confidence needed for entry on to their dream degree course.

With additional English language lessons that are tailored to teach all the relevant technical terminology and the College’s cosmopolitan mix of UK and international students, the Foundation Programme is the ideal preparation for degree study and life at university.

The International Foundation Programme (IFP) is a pre-university qualification which is designed to provide you with an entry route to UK or overseas universities or progression on to the NCC Education Level 4 Diplomas in Computing, Business or Business IT.

The IFP aims to improve your general and academic English language ability, enhance your study skills and cultural understanding and introduce you to academic study in English at a suitable level.

The International Foundation Programme

Core Units (all six are studied)

Developing English Language Skills
Develops your English language skills to be able to communicate effectively beyond simple everyday contexts. It aims to improve your reading, writing, listening and speaking and enables you to acquire a broad range of knowledge which you can use to confidently and effectively communicate in English. The unit guides you through intermediate and then Upper Intermediate levels of English language study.

Advanced English Language Skills
Enables you to put into practice the language you have acquired and develop into an advanced user of English. You will make extensive use of the four skills of speaking, reading, listening and writing, as well as extending your knowledge of complex grammar and advanced vocabulary.

English for Academic Purposes
Develops your understanding and use of the key linguistic skills necessary to engage effectively in an academic environment where you are being taught in English.

Study and Communication Skills
Equips you with the essential study skills needed to succeed at university level. You will learn the basic skills necessary to conduct independent research, write academic papers, give formal oral presentations and apply what has been taught during lectures to your studies.

Culture Studies
Enables you to gain awareness and an increased understanding of other cultures. You will learn about various features of a foreign country and its culture, with a particular focus on student life and studying abroad.

Foundation Mathematics
Builds upon your existing knowledge in the area of mathematics whilst introducing new topics appropriate across a range of academic disciplines and for your future career.

Elective Units (choose one pathway)

Business Pathway

Introduction to Business
Provides you with an introduction to the purpose, types and organisation of businesses. You will also become familiar with a range of business concepts such as basic marketing practices.

Introduction to Accounting and Economics
Introduces you to the key principles of accounting and economics. You will become accustomed to concepts such as market structures and monetary policy and also learn how to produce simple financial statements.

Engineering Pathway

Further Mathematics
Provides you with an understanding of different mathematical concepts and ideas, building on the work covered in the Foundation Mathematics unit. You will develop further algebraic techniques on a broad range of mathematical topics, building towards areas often seen and used in university courses.

Physics
Allows you to build up a fundamental background of the principles of physics. The unit focuses on Newton's mechanics, electrostatics and electrodynamics. The principles of thermal physics and magnetism are also introduced.

Computing Pathway

Introduction to Computing
Provides you with a basic introduction to a range of IT topics including the organisation of a computer system, the relationship between hardware and software, applications of computers, databases, networking (with a focus on the Internet), graphics and multimedia.

Introduction to Programming
Introduces you to extensive practical use of the modern programming language Visual Basic to illustrate the classic programming principles of sequencing, selection and iteration in the context of object-oriented computer programming.

Qualification Structure
To complete the qualification you must study and pass eight units (six core units and two elective units)

Assessment & Examinations
Assessments for all units will be offered in a number of assessment cycles throughout the year. The units are assessed by either examination or coursework assignments.

Award Conditions
The NCC Level 3 International Foundation Diploma for Higher Education will be awarded when you have successfully passed all eight units. A unit is passed when an overall mark of 40% or more is achieved.

Duration
The qualification is designed to be studied full-time over one academic year. There is also a January 2018 start option available.

Delivery Method
The qualification is taught face-to-face through lectures, tutorials and seminars at NCC Education Centres such as Chichester College.

Entry Requirements

Entry requirements for the NCC Level 3 International Foundation Diploma for Higher Education Studies:
Successfully completed secondary education in an appropriate range of subjects.
Plus a valid score of 4.5 or above in the International English Language Testing System (IELTS) examination from an approved SELT test centre.
EU Students: Alternatively, EU students can take the free NCC Education Standard English Placement Test which is administered by our NCC Education Centres to provide evidence of an equivalent level of English language.
Note: Government changes might be applicable

Progression
Successful graduates of the International Foundation Programme are able to:
Apply for a guaranteed entry route with a relevant United Kingdom university
Apply to one of the 30 universities worldwide which directly recognise the International Foundation Programme
Continue on to one of the NCC Education degree programmes available at a wide range of national and international universities
IFP Provides
Guaranteed Entry
to University

The International Foundation Programme is recognised by a wide range of universities in the UK and worldwide. NCC / Chichester College has partnerships with several universities which offer guaranteed entry to successful graduates of the IFP qualification.

Bangor University - UK

Business Degrees with guaranteed entry
- BA/BSc (Hons) Accounting and Finance
- BA/BSc (Hons) Accounting and Banking
- BA/BSc (Hons) Accounting and Economics
- BA/BSc (Hons) Banking and Finance
- BA/BSc (Hons) Business and Law
- BA/BSc (Hons) Business Economics
- BA (Hons) Business & ICT
- BA/BSc (Hons) Business Studies
- BA/BSc (Hons) Business Studies & Finance
- BA/BSc (Hons) Business Studies & Marketing
- BA/BSc (Hons) Financial Economics
- BA/BSc (Hons) Management with Accounting
- BA (Hons) Management with Banking and Finance
- BA/BSc (Hons) Marketing

Entry Requirements:
- Overall average of 50% (Business pathway)
- IELTS 6.0 (no band less than 5.5)

Business Degrees with guaranteed entry
- BA (Hons) Accountancy
- BA (Hons) Accounting and Finance
- BA (Hons) Business
- BA (Hons) Marketing
- BA (Hons) Marketing, Advertising and Public Relations
- BA (Hons) Accountancy and Business
- BA (Hons) Business and Economics
- BA (Hons) Business and Finance
- BA (Hons) Business and HRM
- BA (Hons) Business and Management
- BA (Hons) Business and Marketing
- BA (Hons) Economics and Finance

Entry Requirements:
- Overall average of 50% with no less than 40% in any unit (Business pathway)
- IELTS 6.0 (no band less than 5.5)

Computing Degrees with guaranteed entry
- BSc (Hons) Business Information Technology
- BSc (Hons) Computer Games Technology
- BSc (Hons) Computer Networks
- BSc (Hons) Computer Networks and Security
- BSc (Hons) Computer Science
- BSc (Hons) Digital Broadcast Technology
- BSc (Hons) Digital Media Technology
- BSc (Hons) Forensic Computing
- BSc (Hons) Information and Communications Technology
- BSc (Hons) Motorsports Technology

Entry Requirements:
- Overall average of 50% with no less than 40% in any unit (Computing Pathway)
- Minimum score of 50% in Foundation Mathematics unit
- IELTS 6.0 (no band less than 5.5)

Engineering Degrees with guaranteed entry
- BEng (Hons) Automotive Engineering
- BEng (Hons) Mechanical Engineering
- BEng (Hons) Telecommunications and Networks

Entry Requirements:
- Overall average of 50% with no less than 40% in any unit (Computing Pathway)
- Minimum score of 60% in Foundation Mathematics unit

Chichester College International Foundation Programme 2017-18
Accommodation

High quality student accommodation has never been easier to organise. The accommodation team offer a wide range of options to international students, which are both comfortable and safe.

All accommodation is closely monitored by the College and residential accommodation is regularly checked by external inspection bodies. The accommodation team are available to provide all the help and advice you may need. Students will be placed in accommodation according to their age and personal preferences. With two on-campus halls of residence and a homestay option all year round, there is the perfect option for every student.

We share halls with different people from different countries. We can eat together and play together. Everyone is very friendly.

Sammy Tsang - China
Homestay Accommodation

Homestay is ideal for students who want to enjoy the traditional experience of living with a local family. Homestay means that the host treats the student as a full member of the household.

Students in homestay accommodation can specify whether they wish to be in a smoking or non-smoking household and with or without pets or children.

Half-board Homestay

Half-board homestay means having your breakfast and evening meal provided during the week and breakfast, lunch and dinner are provided at the weekend. Laundry is included once a week in the price of your accommodation. Any extra laundry should be discussed with your homestay hosts.

Self-catering Homestay

Self-catering homestay means you have the freedom of cooking for yourself. This accommodation is available to all students aged 17 years old and over. Laundry is also the student’s responsibility, although the owner’s facilities are usually available.

Quick Check Guide

Your quick guide to all the facilities available at each accommodation option.

Note: Smoking is strictly prohibited in all of the accommodation choices.

* Westgate rooms are all en-suite. Woodlands rooms are en-suite, standard, single or twin (subject to availability).

How to Apply

1. Enquiry
Contact us via phone or email or visit our website.
See more details on the back cover.
We have International Officers who travel around the world meeting with students and we may be able to set up a meeting in your home country.

2. Application
Please get an application form from our website and complete it in full. Then email it back to us with the following: a copy of your passport, evidence of your level of English e.g. IELTS certificate, your deposit and a copy of your academic transcripts and/or certificates. An interview will be required for A-Levels and certain courses will require a portfolio or additional evidence of student’s level.

3. College Offer
On receipt of all of the above, we will send you a letter of acceptance confirming your place on the course and provide UK accommodation reservation details, if requested. If you have sent your deposit and met the entry requirements for your course, the acceptance will be Unconditional. We will provide supporting documents you can use to apply for your student visa.

4. Visa
Should you need a visa, when you have been accepted at Chichester College, we will provide you with the relevant documents you need for a visa application. Our College complies fully with the UK Visa & Immigration (UKVI) guidelines for UK student visas.
On their website you will be able to find out whether a UK student visa is applicable to you.

5. Payment
You can pay your fees via our online PayToStudy website or directly to Chichester College via a bank transfer or by telephone from Monday to Friday on +44 (0)1243 786321 ext 2535. College admission staff will advise you when your payment is due and the best way to pay.

6. Pre-Arrival
Inform the College when your visa is issued and confirm your arrival date. If you require a taxi transfer from the airport, this can be arranged at an additional cost. Host family details may not be available at the time of application but will be given to you at least two weeks before your arrival.

7. Arrival
We will then give you a full induction on your first day at the College and place you into class and provide you with a class schedule for your time at the College.

We strongly believe that all our students should be seen as individuals and that their physical and mental well-being is extremely important. The College has a safeguarding policy and designated safeguarding officers, as well as a College counselling service for those students who need confidential support. We are aware that many students suffer from homesickness at some point when away at College. For most this passes very quickly when they make new friends and ‘find their feet’ on their course. Remember the staff in the College are there to listen and support you. Chichester College is proud of its excellent student support both prior to your arrival and during your time at the College.

We provide comprehensive welfare and support for all our students. College nurses are available on-site for all students, plus counsellors and the accommodation and international teams. Well-being support plans are completed by the College nurses, in conjunction with the accommodation staff, to ensure the best possible support is provided. We have an International Student Support Officer who works with our international students across the board if there are any concerns or questions on their courses.

Student Support
Student Welfare
We provide comprehensive welfare and support for all our students. College nurses are available on-site for all students, plus counsellors and the accommodation and international teams. Well-being support plans are completed by the College nurses, in conjunction with the accommodation staff, to ensure the best possible support is provided. We have an International Student Support Officer who works with our international students across the board if there are any concerns or questions on their courses.

Chichester College
International Foundation Programme 2017-18

Chichester College Information

www.chichester.ac.uk/international
The information in this prospectus is correct at the time of printing. The College reserves the right to withdraw courses, limit recruitment and where necessary make significant changes to fees payable, dependent on the number of students enrolled for a course or due to changes in legislation.

This prospectus was designed by Alan Goldsmith for the International Department of Chichester College © Copyright 2016

The College can arrange airport transfers by private taxi at the following prices:

<table>
<thead>
<tr>
<th>Airport Transfer (Taxi)</th>
<th>No. of passengers</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>(1-4)</td>
</tr>
<tr>
<td></td>
<td>(5-8)</td>
</tr>
<tr>
<td>Southampton Airport</td>
<td>£70</td>
</tr>
<tr>
<td>London Gatwick Airport</td>
<td>£85</td>
</tr>
<tr>
<td>London Heathrow Airport</td>
<td>£100</td>
</tr>
<tr>
<td>Bournemouth Airport</td>
<td>£105</td>
</tr>
<tr>
<td>London City London</td>
<td>£135</td>
</tr>
<tr>
<td>Stansted Airport</td>
<td>£145</td>

<tr>
<td>Luton Airport</td>
<td>£145</td>
</tr>
</tbody>
</table>

* Single or return transfers available
* Prices above are one-way transfers
* Prices include 75 minutes’ waiting time from confirmed landing. There is an extra charge of £15 per extra hour waited
* Prices are per taxi, not per person

When you have been accepted on to a course at Chichester College we will provide you with a CAS number and the relevant documents you require to make a visa application. To ensure that your application is processed in time please apply early.

Chichester College complies fully with the UKVI (UK Visa & Immigration) guidelines for UK student visas.

Chichester College has maintained its Tier 4 sponsor status in November 2015 without inspection for a second year.

Thanks to this consistency and our current rating you can be assured that Chichester College is a great sponsor for any international student.
